SPEAKER BAACK: You've heard the motion to advance LB 201. All those in favor say aye. Opposed no. It is advanced. LB 830.

CLERK: Senator, on 830, I have no E & R. I do have an amendment pending by Senator Avery. AM1039.

SPEAKER BAACK: Senator Avery.

SENATOR AVERY: Mr. Chair, members, I bring before you an amendment which will actually make this turtle bill a lot more effective. It does a number of things. First off, it has combined what was LB 335 and develops in the Department of Agriculture a committee which would be an Aquaculturists Board. That would consist of members of the Game and Parks Commission, Department of Agriculture, Cooperative Extension Service and two aquaculturists that are appointed by the Governor. This board would be responsible for making recommendations to the Legislature for the control, regulation and development of the aquaculture industry in Nebraska. The second provision of this amendment was originally LB 532 which went to the Agriculture Committee and, because of some language problems that have been corrected, was killed. But what this provision does is provide the Game and Parks Commission the ability and the duty to develop a list of species that can be imported. It also
